

# We are looking for: Junior Clinical Research Associate Barcelona Headquarters **LOW TRAVEL!**

## About us:

SOLTI is an academic research group that performs clinical trials of excellence in oncology. Currently, SOLTI is comprised of over 400 renowned research professionals distributed over a broad network of more than 90 leading hospitals in Spain, Portugal, France and Italy.

SOLTI focuses its efforts on developing cutting-edge clinical trials with novel targeted therapeutics including innovative translational research, fostering the participation of research into breast cancer in international networks and promoting excellence in the management of breast cancer among their members.

## Main responsibilities:

- For assigned studies, ensure quality and efficiency in the preparation, coordination and development of clinical trials at the assigned sites.
- According to clinical monitoring plan, planning and execution of activities, as source data verification, site trial visits and visit reports within the specified timelines.
- Controls the trial medication at the site.
- Collaborates with the clinical project team in the management of trial documentation.
- Audits preparation at the assigned sites and takes further actions to solve such issues within the established term.
- Ensures compliance of the protocol, GCPs and clinical trial legislation.

## We are looking for:

- Healthcare / Sciences degree.
- Master in Clinical Trials
- Minimum 1 year of professional experience as CRA in clinical trials, in CRO, pharmaceutical industry or collaborative groups, or alternatively experience as Study Coordinator in Oncology Services.
- CRA experience in oncology clinical trials. It will be an asset breast cancer clinical trials experience.
- Advanced level in English.
- Advanced knowledge of GCPs and legislation about clinical trials.
- Proficient in computer skills including MS Office.

## What we offer:

- **Low travel (average 25%).**
- Real work life balance, flexible working timetable.
- Professional career as Lead CRA.
- 60% homebased
- Lunch allowance.

Join a nonprofit organization with cutting-edge projects and high social impact, with an interesting clinical studies pipeline, where CRA team is key for clinical project teams, in a close work environment and teamwork value. SOLTI could offer you a different and interesting role as CRA!
