Next Wave of precision oncology: new tools and targets

22 Noviembre 2019

09.45h - 15.00h

Casa del Lector (Matadero Madrid)
 Paseo de la Chopera, 14
 28045, Madrid

9:45 - 10:00 h **Welcome**

Aleix Prat

Chief of the Medical Oncology Unit at Hospital Clínic de Barcelona and SOLTI President

10:00 - 10:05 h **Pre-session interactive questions**

Chair: Luis Paz-Ares

Chief of the Medical Oncology Unit at HU 12 de Octubre

10:05 - 10:35 h **Optimizing strategies to boost precise anti-tumor immunity**

Özcan Met

Head of the Cell Production Unit at the National Center for Cancer Immune Therapy, Herlev (Denmark)

10:35 - 10:40 h **Interactive answers**

10:40 - 10:55 h **Discussion speakers-audience**

10:55 - 11:00 h **Pre-session interactive questions**

Chair: Violeta Serra

Group Leader of the Experimental Therapeutics Group at VHIO

11:00 - 11:30 h **DDR: Current targets and future scenarios**

Ivan Díaz-Padilla

Global Development Clinical Lead. DNA-damage response (DDR) inhibitor program. Merck Group.

11:30 - 11:35 h **Interactive answers**

11:35 - 11:50 h **Discussion speakers-audience**

11:50 - 12:10 h **Coffee**

12:10 - 12:15 h **Pre-session interactive questions**

Chair: Karim Lekadir

Coordinator of the euCanSHare H2020 project at Universitat de Barcelona

12:15 - 12:45 h **Artificial intelligence for precision oncology: beyond patient stratification**

Nikos Paragios

Professor of Mathematics at University of Paris-Saclay

12:45 - 12:50 h **Interactive answers**

12:50 - 13:05 h **Discussion speakers-audience**

13:05 - 13:10 h **Pre-session interactive questions**

Chair: Rafael López

Chief of the Medical Oncology Unit at CHUS

13:10 - 13:40 h **Liquid biopsy: genotyping and beyond**

Justin Odegaard

Vice President Clinical Development at Guardant Health

13:40 - 13:45 h **Interactive answers**

13:45 - 14:00 h **Discussion speakers-audience**

14:00 - 15:00 h **Lunch**
